Emerald Cruises & Tours

Day 1

Athens (Piraeus), Greece (D)

Sat, May 01

Your cruise begins in the bustling Greek capital, Athens. The birthplace of democracy and western civilisation, it's home to some of the ancient world's most famous landmarks. Here, you'll be transferred to your Emerald luxury yacht to embark on a voyage through intriguing cities and extraordinary coastlines.

Day 2

Corinth Canal - Itea, Greece (B,L,D)

Sun, May 02

Today you'll cruise through the 19th-century Corinth Canal. A feat of engineering, this narrow waterway was cut from solid rock and is more than six kilometres long with walls rising to about 79 metres (260 feet) at their highest point. It crosses the isthmus of Corinth in Greece, linking the Gulf of Corinth with the Saronic Gulf and shortening the sea route between the Ionian and Aegean Seas. Cruise to the small port of Itea, then embark on a journey to the archaeological site of Delphi, regarded by the Ancient Greeks as the centre of the world. This well-preserved World Heritage site is nestled within the mountainside and was a sacred space where pilgrims could hear prophecies believed to come directly from the Gods.

Day 3
Mon, May 03

Lefkada, Greece (B,L,D)

Known as the 'Caribbean of Greece' for its lush landscape and crystal-clear waters, Lefkada is connected to the mainland by a narrow bridge, making it one of the few Greek islands accessible directly by road. One of the most fascinating places in Lefkada is the Castle of Agia Mavra, which dates to the 14th century and was built to protect the island from invasions. The island's modern marina has a thriving drinking and dining scene, while the town centre has many churches and museums.

Day 4
Tue, May 04

Parga, Greece (B,L,D)

Located on the north-west coast of mainland Greece, Parga is built like an amphitheatre around a tranquil bay, its buildings vibrant in pastel colours and its waterfront home to a host of tavernas and bars. The 11th-century Parga Castle was built by the Venetians on a hilltop, boasting views across the resort town and the Ionian Sea. The coastline has a string of postcard-worthy beaches, and the Ionian islands are a short boat excursion away.

Day 5

Wed, May 05

Corfu, Greece (B,L,D)

One of Greece's most beloved and beautiful islands, Corfu lies in the Ionian Sea and has a rich history and magnificent architecture displaying Renaissance and Baroque influences. Its World Heritage-listed Old Town has roots dating back to the 8th century BC and features architecture shaped by later Venetian and European influences. It is a labyrinthine maze of alleyways, home to the impressive Spianada - the largest square in Greece - a leafy space with gardens and historical monuments. The island is home to authentic Greek villages, as well as beaches lapped by aquamarine waters. Your luxury yacht will spend the evening in Corfu, allowing you to wander the atmospheric Old Town after dark.

Day 6

Thu, May 06

Saranda, Albania (B,L,D)

Your yacht will leave Corfu early this morning and cruise towards Sarande, a coastal town perched on a crescent-shaped bay in southern Albania. The once sleepy fishing village comprises a bustling seaside promenade, pebbled beaches and ancient ruins, including the ruins of an ancient synagogue thought to date from the fifth or sixth century, adorned with intricate mosaics and historical artefacts.

Day 7

Kotor, Montenegro (B,L,D)

Fri, May 07

Encircled by medieval walls, the fortified city of Kotor is an enthralling place of ancient history and modern culture.

Nestled between imposing mountains and the Adriatic Sea, this World Heritage-listed setting is a blend of Venetian palaces, a 12th-century cathedral, cobblestone lanes and café-hemmed squares. Climb the 1,350 steps up to St John's Fortress, where you'll have spectacular views over the Bay of Kotor.

Day 8

Dubrovnik, Croatia (B)

Sat, May 08

Your time on board comes to an end in the dazzling city of Dubrovnik, along Croatia's stunning Dalmatian Coast. Coined the 'Pearl of the Adriatic,' this World Heritage-listed city is renowned for its breathtaking architecture, with red terracotta-tiled roofs and pale stone walls striking against the turquoise waters lapping below.
