2013 Sangiovese

Klenk Family Vineyards Sangiovese – Texas Hill Country

173 cases produced

The Klenk Vineyard is located just north of Fredericksburg in the transitional area between the Pedernales River Valley and the Middle Hickory. Dave and Robyn Klenk planted these Sangiovese grapes with the help of their daughter Haley (a former employee much beloved by the William Chris Family). The eighteen inches of clay loam topsoil mixed with limestone gravel is a major element in the structure of this wine.

A seductive ruby tint shows an articulate nose with striking aromas of spicy cinnamon, ginger, orange zest & clove, drawing into a palate of bright red berries and muddled citrus flesh. A playfulness between the bright fruits and the drying tannic structure show an intrigue and thoughtfulness making one imagine the many expressions in the long life ahead, very age-worthy (10-15 yrs.).

Alcohol- 14% RS- 0 pH- 3.65 Malic- 0.30 TA- 6.7 VA – 1.77
Aging: 20 months in new Eastern European and French Oak
