2017 MOURVÈDRE

LOST DRAW VINEYARDS
TEXAS HIGH PLAINS

100% Mourvèdre | Lost Draw Vineyards | Texas High Plains AVA

VINEYARD

Lost Draw Vineyards, established in 2010, is owned and farmed by the Paddack and Timmons families. Just down the road from Lost Draw Vineyards near Brownfield, Lost Draw is proving to be one of the best winegrowing sites in the Texas High Plains. The soil is Amarillo fine sandy loam with clay base over limestone.

VINTAGE

The 2017 vintage will probably go down as the best vintage of the decade. Plenty of dry, warm, sunny days and cool nights resulted in a textbook-perfect growing season.

WINEMAKING

After harvest, the wine was fermented in oak fermenters. Then 50% of the wine was aged in new, large-format oak fermenter for 10 months before being transferred to neutral oak barrel for an additional 12 months. The other 50% was aged in neutral oak barrels for the full 22 months.
