WILLIAM CHRIS VINEYARDS

ANNIES BLOCK MOURVERDRE HYE ESTATE **2018**

THE WINE

This block of Mourvedre was named after William Blackmons's daughter Annie, She had no idea that a vineyard had been named for her until she saw the bottle with her name on it for the first time. The wine has aromas of warm oatmeal with vanilla and raisins. The baking spices and richness show voluptuous side of Mourvedre. A unique expression of this varietal showing how well it can respond to the right amount of oak aging.

WINEMAKING

Stainless Steel fermented for 1 week and then barrel aged for 21 months in 17% new Eastern oak and 83% in neutral oak barrels.
13.4% ABV
0.0 RS
5.9 TA

VINEYARD

Home to William Chris Winery and once home to thousands of turkeys, the earth here is high in nitrogen which gives great vigor to the vines. Soils are clay loam, sandy loam, and granite subsoil and Verticle Shoot Position is the training method of choice.

FOOD PAIRINGS

Comfort foods like Honeybaked ham or potroast with rosemary potatoes
