THE WINE

Petit Verdot's origins are in southern France and made its way to Bordeaux and used as a distinct blending grape, giving vignerons a way to spice up the legendary Bordeaux blends. Full varietal examples started appearing on the world wine scene in sun filled locations, mostly outside its native France in sun drenched wine regions like Texas. Loaded with blackberry, blueberries, and black cherry with a spicy backbone of cinnamon and all-spice. The dark fruits upfront are mouth filling, and then a wave of cinnamon comes in and then fades into a cherry finish. Great spice and fruit make this a wine to impress with.

WINEMAKING

Aged for 26 months in 20% new French oak and 80% in neutral oak barrels.
ABV 13.1%
