

William Chris

VINEYARDS

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2019 ENCHANTÉ

Our flagship wine, made every year since our first in 2008. The French word 'enchanté' is not just a greeting, it is more of an emotion. This wine was made and crafted to say "welcome, please come share my world."

Originally a Merlot-heavy blend, the composition of grapes has changed yearly to find its perfect balance.

VARIETIES: 50% Cabernet Sauvignon, 45% Merlot, 3% Petit Verdot, 2% Malbec

AVA: Texas Hill Country

Vineyards: Granite Hills Vineyard, Tallent Vineyard, Robert Clay Vineyard, Loyal Valley Vineyard

The Texas Hill Country is the largest of the eight American Viticultural Areas of Texas, spanning 9 million acres. With diverse soil types and bedrock, including both limestone and granite, and varying elevations, the potential for this region is magnificent as long as the varieties planted are resilient amongst the Hill Country's signature warmth and humidity.

2019 VINTAGE: A rainy May/June and warm and dry summer led into a September heat spike that shut down grapes, resulting in the latest Texas harvest in 10 years.

TASTING NOTES

Black cherry cola and toasted oats with sultry red and purple flowers, and a crack of black pepper. Decant for the full effect of the silky tannins and full body.

FOOD PAIRING

Dress this wine up with a classic steak or grill up some fajitas in the backyard.

WINEMAKING: Fermented separately in large neutral oak fermenters. Aged separately in oak barrels for

20 months: 25% new French oak, and 75% neutral French and Eastern European oak.

HARVEST: Machine and hand-harvested

Serve at 59° | Decant

ALTITUDE: 980–2,460 ft

Drink now to 2029

SOIL TYPE: Highly varied: Decomposed granite, sandstone, hickory, calcareous, limestone base

CASES PRODUCED: 2075

ABV: 14.1% | pH: 3.89 | RS: 0.0 g/L | TA: 6.1 g/L

BOTTLING DATE: 07/29/2021
