

William Chris

VINEYARDS

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2022 ENCHANTÉ Texas Hill Country

94
POINTS

In October 2025, Cristaldi & Co. rated this Cabernet Sauvignon blend 94 points out of 100.

"The wine showcases a host of crunchy red and black-toned fruit character, graphite notes, and dried herbs, creating a dynamic and captivating profile. This is a dynamite wine, offering immediate appeal with the structure and aging potential to evolve beautifully over time." - Review by Jonathan Cristaldi

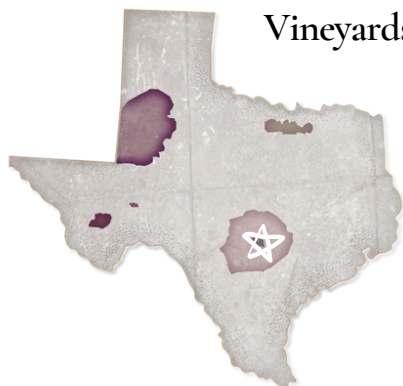

Pair with nutty cheeses, a beef Wellington or try a classic cheese hamburger or chicken and waffles.

Enchanté is a Bordeaux-style blend and our first flagship wine made since 2008 when we opened. It is crafted yearly and named Enchanté to say "welcome, please come share my world."

VARIETIES: 58% Cabernet Sauvignon, 34% Malbec, 8% Merlot

AVA: Texas Hill Country

Vineyards: Fovel Family Vineyard, Blackmon Ranch Vineyard, Uplift Vineyard
Hog Heaven Vineyard

The Texas Hill Country is the largest of the eight American Viticultural Areas of Texas, spanning 9 million acres. With diverse soil types and bedrock, including both limestone and granite, and varying elevations, the potential for this region is magnificent as long as the varieties planted are resilient against the Hill Country's signature warmth and humidity.

2022 VINTAGE: One of the driest vintages of the last few decades. About 40% reduced yield, heat that spurred ripening, and rain around harvest time led to an interesting, one-of-a-kind vintage.

WINEMAKING: All wines were fermented in an oak fermenter for an average of 11 days.

Aged in 25% new French oak barrels for 8 months, blended, and aged for an additional 9 months.

AGE OF VINES: Average 7-10 years

Serve at 59° F | Decant

SOIL TYPE: Highly varied: Decomposed granite, sandstone, sandy loam over clay, poor shallow soils

Drink now to 2038

ELEVATION: Average 1,500 ft

ABV: 14.2% | pH: 3.83 | TA: 4.83 g/L | RS: 0.60 g/L

CASES PRODUCED: 1,351
