

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2022 PICPOUL BLANC Alta Loma Vineyard

The grape Picpoul loosely translates to "kiss of lemon", defining the general character of the white wines made from Picpoul Blanc grapes. Known in countries such as Spain for retaining a bright and refreshing acidity, these grapes are capable of harnessing all the intense heat and sun of Texas to make a beautifully aromatic, dry wine.

VARIETIES: 100% Picpoul Blanc

Vineyard: Alta Loma Vineyard

AVA: Texas High Plains

Alta Loma Vineyard is a spectacular growing site in the Texas High Plains, owned and farmed by the Burran and Floyd families. Established in 2016 with fewer than 10 acres of Syrah and Sangiovese, they have since planted two more varieties that have proven sustainability in the region. Their sandy loam soil is well-drained, suited to the hardy varieties they've selected to plant.

2022 VINTAGE: One of the driest vintages of the last few decades. About 40% reduced yield, heat that spurred ripening, and rain around harvest time led to an interesting, one-of-a-kind vintage.

TASTING NOTES

Dry, nutty, and floral, this wine has depth and sophistication compared to other playful white wines. Medium-bodied, the palate is creamy without being oaky, with a long, clean finish. Notes of stone, apricot, tropical pineapple notes, and more can be found in the wine's bouquet.

FOOD PAIRING

Delightful with soft, bloomy rind cheeses, vegetable-based dishes, and Thai food.

WINEMAKING: Fermented for 34 days at 49 degrees in stainless steel tank.

Aged for 5 months in stainless steel tanks with lees stirring for 3 months.

AGE OF VINES: 6 years

Serve at 45°F

SOIL TYPE: Sandy loam

Drink now to 2029

ELEVATION: 3,200 ft

ABV: 12.8% | RS: 0.0 g/L
