

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2022 WINEMAKER’S SERIES “Concrete Cab-Boy”

Every year our winemaker’s craft special blends from their favorite grapes that were grown that year. These wines are not only an imprint of a single vintage but of a singular person who has been a part of our story over time.

WINEMAKER: Claire Richardson

VARIETIES: 100% Cabernet Sauvignon

VINEYARD: Uplift Vineyard

AVA: Texas Hill Country

Formerly Hoover Valley Vineyard, Uplift Vineyard was renamed to represent the spirit of our industry, as well as the ancient geographical feature called the Llano Uplift. This feature is a product of magmatic eruption and then erosion that exposed the hardened granite and mineral beneath, which appear “uplifted”.

2022 VINTAGE: One of the driest vintages of the last few decades. About 40% reduced yield, heat that spurred ripening, and rain around harvest time led to an interesting, one-of-a-kind vintage.

TASTING NOTES

Subtle on the nose, and clean. The wine is intriguing as it opens, with muddled blackberry, crushed rock, and something akin to acacia. The palate has a full frame of tannins on a sturdy medium body. Gentle acidity peaks through to lift the wine, which sticks with you through a long finish.

FOOD PAIRING

Pair with cast iron seared steak with peppercorn, a wild mushroom risotto, and a nice young Gouda.
