2023 MOURVÈDRE Farmhouse Vineyards

Mourvèdre is a black grape variety that has come to be almost synonymous with William Chris Vineyards. Each vineyard and vintage have a new facet of terroir to add to our picture of what this grape variety can really do in the range of soils and sites that we have in Texas.

AVA: Texas High Plains

In 2010 the Seaton & Furgeson brother and sister-in-law combo planted 30 acres of grapevines to add to their collection of acres of cotton, grains, pumpkins, melons and more. Dedicated to warm climate grape varieties, the 8 generations who are currently farming this land in the Texas High Plains champion the idea of wine as a product of honest labor.

2023 VINTAGE: Much needed rain and mild temperatures came before weeks of 100+°F temperatures, giving grapes ideal pH and acidity levels with great balance.
