

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2023 SANGIOVESE Alta Loma Vineyard

First planted in Texas in 1968, Sangiovese is resilient in drought conditions and warm temperatures. It can grow in a range of soils, varies its profile to even slight shifts in climate, and is wonderful alongside food.

VARIETY: 100% Sangiovese

VINEYARD: Alta Loma Vineyard

AVA: Texas High Plains

COUNTY: Terry

Alta Loma Vineyard is a spectacular growing site owned and farmed by the Burran and Floyd families. Established in 2016 with fewer than 10 acres, they have planted several black and white varieties that have proven sustainable in the region. Their sandy loam soil is well-drained, suited to the hardy varieties they have selected to plant.

2023 VINTAGE: Much needed rain and mild temperatures before several weeks of long 100+ degree temperatures. Sugars stalled, but grapes were harvested at ideal pH and acidity levels with balance.

TASTING NOTES

Medium-bodied, dry, and boldly spicy, with firm tannins and great acidity. This wine is a well-balanced savory spice-bomb with a thick underlay of ripe red fruit. The wine's robust texture will hold it over time as it develops into a more earthy wine.

FOOD PAIRING

Pair with dishes that have earthy tones, such as from mushrooms, or savory dishes topped with cheese.

WINEMAKING: Fermented in large oak fermenter for 13 days.

Aged in 10% Eastern European oak barrels and 90% neutral oak barrels for 18 months.

AGE OF VINES: 7 years

Serve at 59° F | Decant for 15 minutes

SOIL TYPE: Sandy loam over limestone

Drink now to 2034

ELEVATION: 3,281 ft

ABV: 14.6% | pH: 3.65 | TA: 5.70 g/L | RS: 0.82 g/L

CASES PRODUCED: 564
