

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2024 LETKEMAN FAMILY BLEND

Every year, working closely alongside our vineyard team and Texas farmers, our winemakers choose a handful of vineyards to feature as blended, vineyard-designated wines. These wines are a true celebration of growers and Texas terroir.

VARIETIES: 54% Cabernet Sauvignon, 46% Malbec

VINEYARD: Letkeman Family Vineyard

COUNTY: Gaines County

Located just below the High Plains AVA in Seminole, Texas, Sonia and Pedro Letkeman have farmed 10 acres of grapes on a rocky hillside of caliche and flaky limestone since 2015. Pedro, referred fondly to as 'Peato', is an innovative farmer, is active with his wife in improving their community's farming, and makes an amazing chili during harvest time.

2024 VINTAGE: A mild winter transitioned into steady rainfall into late spring, ensuring proper bud break and fruit set. A cooler summer enabled ripeness without risking metabolic stalling.

TASTING NOTES

Fruit-salad aromas, but nicely dry on the palate. This wine takes on more weight and impact as it opens up. Decant to fully appreciate the wine's punch, orange, and cream aromas beneath the red and tropical fruit aromas. The alcohol is well balanced by modest, plush tannins.

FOOD PAIRING

Pair with grilled meats, especially juicy cuts. Pork chop and a mushroom sauce or a hearty pot roast.

WINEMAKING: The grapes were co-fermented together in stainless steel tank for 15 days.

Aged in 20% new French oak barrels and 80% neutral barrels for 16 months.

AGE OF VINES: 9 years

Serve at 59° F | Decant

SOIL TYPE: Sandy red clay and caliche soils

Drink now to 2031

ELEVATION: 3,500 ft

ABV: 14.8% | pH: 3.80 | TA: 4.90 g/L | RS: 0.54 g/L

CASES PRODUCED: 550
