2024 MOURVÈDRE ROSÉ Texas Hill Country

Mourvèdre, a smokey and edgy red grape that loves plenty of sun and warmth, is one of our choice grapes to make rosé! Not just any fruity pink wine, Mourvèdre brings texture and complexity with each sip - a beautiful representation of a single grape variety from the Texas Hill Country AVA.

VARIETIES: 100% Mourvèdre

AVA: Texas Hill Country

VINEYARD: Uplift Vineyard

The Texas Hill Country is the largest of the eight American Viticultural Areas of Texas, spanning 9 million acres. With diverse soil types and bedrock, including granite in the Llano Uplift, and varying elevations, the potential for this region is magnificent as long as the varieties planted are resilient against the Hill Country's signature warmth and humidity.

2024 VINTAGE: A mild winter transitioned into steady rainfall into late spring, ensuring proper bud break and fruit set. A cooler summer enabled ripeness without risking metabolic stalling.

TASTING NOTES

The perfect wine to sip and savor, with or without food, and from day into evening. Versatile enough to love on a day where a refreshing wine is desired, but that will stand up to the most scrutinizing palate. Softly layered, mineral, and silky in texture.
