

William Chris

VINEYARDS

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2024 ROSÉ Texas High Plains

A representation of the first grapes picked in the Texas High Plains, when sugar levels are low and the bright acidity shines through. This wine is made from only the delicate free run juice of red grape varieties.

VARIETIES: 60% Cinsaut, 40% Mourvèdre

AVA: Texas High Plains

VINEYARD: La Pradera Vineyard

COUNTY: Terry

Established in 2010 by Mike and Barbara Paddock with the help of Texas grape-growers Andy and Lauren Timmons, who also currently manage the 120 acres. The different grape varieties are planted on a special soil combination that is calcareous, organic, sandyloam over limestone that is just 2-3 feet deep in some blocks. The wines are aromatic and fresh in style.

2024 VINTAGE: A mild winter transitioned into steady rainfall into late spring, ensuring proper bud break and fruit set. A cooler summer enabled ripeness without risking metabolic stalling.

TASTING NOTES

Cream and red fruits mingle on the nose with a subtle orange peel and zest from herb and citrus. Mineral and peach aromas play around on the nose. The palate is just medium-bodied, with nice weight that wraps around the laser beam of acidity. Dry and Provençal in style.

FOOD PAIRING

Pair with many types of food, especially fresh fish, steamed vegetables, and risotto with medium cheeses.

WINEMAKING: Fermented in stainless steel tank for 28 days.

Aged for 7 months in stainless steel tank.

AGE OF VINES: 14 years

Serve at 49° F

SOIL TYPE: Amarillo fine sandy loam over limestone base

Drink now to 2029

ELEVATION: 3,300 feet

ABV: 12.8% | pH: 3.33 | TA: 5.93 g/L | RS: 0.40 g/L

CASES PRODUCED: 200
