

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2025 MOURVÈDRE ROSÉ Texas Hill Country

Mourvèdre, a smokey and edgy red grape that loves plenty of sun and warmth, is one of our choice grapes to make rosé! Not just any fruity pink wine, Mourvèdre brings texture and complexity with each sip - a beautiful representation of a single grape variety from the Texas Hill Country AVA.

VARIETIES: 100% Mourvedre

VINEYARD: Uplift Vineyard

AVA: Texas Hill Country

COUNTY: Burnet

Formerly Hoover Valley Vineyard, this site was renamed both to represent the spirit of our industry and the ancient geographic feature known as the Llano Uplift. This feature was born of magmatic eruption and erosion that over time exposed the pink granite “dome.” The 55 acres of 13 different southern French and Italian grape varieties were planted amongst the granite starting in 2013.

2025 VINTAGE: Solid spring and summer rains gave the vines a healthy start to the season. Moderate temperatures and a dry harvest led to a long season and exceptional grape development.

TASTING NOTES

Very pale in color and low in alcohol (10.5% abv), this wine is shockingly unctuous for a light-bodied rosé! The wine is dry with bright acidity, entirely balanced by fruitiness and the texture provided by concrete aging. Peach, cherry, herb, and mineral all linger on the dry finish.

FOOD PAIRING

Pair with salads with vinaigrette, seafood dishes, and spicy cuisine. Also, juicy, richer meats like pork.

WINEMAKING: Harvested very early. Pressed gently in the cooler temperatures of the early morning in a basket press. Fermented in concrete tank and aged in the same vessel for a brief 7 months.

AGE OF VINES: 12 years

Serve at 45° F

SOIL TYPE: Decomposed granite and sandy loam
