

William Chris

VINEYARDS

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2025 PÉTILLANT NATUREL SPARKLING ROSÉ

Fondly shortened to 'Pét Nat', this style of wine stands for 'naturally a little sparkling'. Because the wine finishes its winemaking process while the bottle is sealed, the wine is fizzy, unfiltered, and highly textured. Chill well before opening.

VARIETIES: 100% Mourvèdre

VINEYARD: La Pradera Vineyard

AVA: Texas High Plains

COUNTY: Terry

Established in 2010 by Mike and Barbara Paddock with the help of Texas grape-growers Andy and Lauren Timmons, who also currently manage the 120 acres. The different grape varieties are planted on a special soil combination that is calcareous, organic, sandyloam over limestone that is just 2-3 feet deep in some blocks. The wines are aromatic and fresh in style.

2025 VINTAGE: Solid spring and summer rains gave the vines a healthy start to the season.

Moderate temperatures and a dry harvest led to a long season and exceptional grape development.

TASTING NOTES

Buoyant aromas of strawberries and roses. The perfume is as intense as the color of this rose, and the palate comes to match that power. Medium-bodied and nicely mineral in flavor to help keep the wine completely dry and food friendly. The fruitiness is well balanced in. Lengthy.

FOOD PAIRING

Pair with Mahi Mahi, tomato and soy-based dishes, and to cut through heavy barbecued meats.

WINEMAKING: Picked early to retain acidity. Slow fermentation began in stainless steel tank for 20 days.

Bottled at the end of fermentation to capture natural carbonation. Undisgorged.

AGE OF VINES: 15 years

Serve at 45° F

SOIL TYPE: Amarillo fine sandy loam over limestone base

Drink now to 2030

ELEVATION: 3,300 ft.

ABV: 11.5% | pH: 3.31 | TA: 6.79 g/L | RS: 0.21 g/L

CASES PRODUCED: 807
