

SKELETON KEY CABERNET SAUVIGNON

TEXAS

100% Cabernet Sauvignon | Texas

In 2010, a skeleton key found on the vineyard estate became the inspiration behind this label. This wine unlocks the flavors of William Chris Vineyards and Texas.

Stylistically, this wine showcases a different approach to the traditional William Chris wine. The Skeleton Key line gives the winemakers the chance to express themselves creatively using more blending techniques and oak aging, thus defining an approachable introduction to Texas wine. In addition, a variety of grapes can be used in the red and white blends which translates to greater production capability and allows William Chris to further support Texas farmers. This particular Skeleton Key bottling is 100% Cabernet Sauvignon.
