

Focused on Texas grown wines made in an Old World style with low-intervention winemaking. Since 2008, founders William "Bill" Blackmon and Chris Brundrett have sourced grapes from Estate vineyards and partners alike, prizing sustainable practices and the expression of Texan terroir.

2024 GRACIANO La Pradera Vineyard

The Spanish Graciano grape is well known as an important blending partner to Tempranillo in regions like Rioja, and so it makes perfect sense for the elevated, semi-desert plateau in Texas, known as the Texas High Plains.

VARIETIES: 100% Graciano

VINEYARD: La Pradera Vineyard

AVA: Texas High Plains

COUNTY: Terry

Established in 2010 by Mike and Barbara Paddack with the help of Texas grape-growers Andy and Lauren Timmons, who also currently manage the 120 acres. The different grape varieties are planted on a special soil combination that is calcareous, organic, sandy loam over limestone that is just 2-3 feet deep in some blocks. The wines are aromatic and fresh in style.

2024 VINTAGE: A mild winter transitioned into steady rainfall into late spring, ensuring proper bud break and fruit set. A cooler summer enabled ripeness without risking metabolic stalling.

TASTING NOTES

Richly aromatic and generously spiced, the smell of this wine evokes the relationship between the land and food – savory and earthy, with violet and tobacco, black plum and leather. The palate is just as generous, with a full, dry body, and incredible structure and length.

FOOD PAIRING

Pair with grilled red meat such as elk, dishes with Mediterranean herbs, chorizo, and aged cheeses.

WINEMAKING: Fermented in concrete cube and aged in concrete globe for one month.

Aged 24 months more in 25% new and 75% neutral French oak barrels.

AGE OF VINES: 14 years

Serve at 59° F | Decant

SOIL TYPE: Amarillo fine sandy loam over limestone base

Drink now to 2036

ELEVATION: 3,300 ft

ABV: 14.6%

CASES PRODUCED: 380
